We just heard back from Terry confirming she will update their records to ensure payment comes to us. Go ahead and submit the invoices. As always, I will need to verify them before purchasing.

Thanks!

My credit manager emailed me back & said the only way he will approve their credit limit is if we can verify that Cheekwood has our notice of assignment on file and that payment on this \$6,000 comes directly to us. I guess the last batch got paid directly to you, which goes against our NOA instructions.

We've left two messages and are emailing the AP this morning over @ Cheekwood to see if we can get confirmation that they will remit payment directly to us.
