

CONSTRUCTION NOTICE

US-40 Daniels Canyon Shoulder Widening Project

On Monday, May 1, 2017, the Utah Department of Transportation will begin shoulder work on US-40 through Daniels Canyon from the mouth of the canyon to McGuire Hollow (MP 23 to MP 32). This project will widen the shoulder in the canyon and provide safety improvements. Work is scheduled to be complete fall 2017.

CONSTRUCTION ACTIVITIES

- Work is scheduled to occur Monday - Saturday, 7 a.m. to 5 p.m.
- One lane in each direction will be maintained
- Intermittent traffic shifts and single lane closures are possible during this work.
- One-way flagging could occur where the roadway narrows
- Some nightwork may be required this summer
- Motorists are advised to reduce speeds in the work zone

For questions regarding the project, please contact the public information team at 801-386-3081 or visit www.udot.utah.gov/go/DanielsCanyonShoulderWidening.
