

TRANSFAC CAPITAL

Financing Business
Since 1942

FINANCE YOUR BUSINESS WITH FACTORING:

Factoring, otherwise known as accounts receivable financing, is the process of selling accounts receivable in exchange for immediate working capital.

INVOICE FACTORING RESOURCES:

<https://transfac.com/what-is-invoice-factoring/>
<https://transfac.com/invoice-financing/>

REASONS TO FACTOR:

Increase working capital without incurring additional debt or sacrificing equity • Get funding quickly • Obtain a much larger advance compared to traditional bank lines of credit • Very little financial documentation is required to get started • Reliable cash flow • Improve credit rating • Reduce client credit risk
