Carrier shall provide adequate equipment & procedures for the above specified product(s) and services to meet all Federal, State, & Local regulations including but not limited to HM-232. Carrier agrees to furnish necessary required equipment at Carrier's expense to transport each shipment. Carrier agrees to assume all costs, expenses and liabilities inherent to the transportation of above specified products. Carrier agrees to hold PTC harmless from any and all such costs, expenses and liabilities. This contract shall be interpreted according to the laws of the State of Missouri, except that any statute or period of limitation applicable to interstate transportation shall apply. No BACK SOLICITATION: Carrier shall not for a period of 2 years following termination of this agreement, solicit traffic from any shipper consignee, consignor or customer of PTC including but not limited to all where (1) the availability of such traffic became known to the Carrier as a result of PTC's efforts or (2) where the traffic of the shipper, consignee, or consignor was first offered to the Carrier of PTC. If Carrier breaches this agreement and "back solicits" the customers of PTC, the Carrier shall be obligated to pay PTC a commission equal to 15% (fifteen percent) of the gross transportation revenues received by Carrier from movement of said traffic. Carrier may not use any other equipment other than his own. Payment of the above agreed upon rate constitutes acceptance of this contractual agreement.
