To Whom it may Concern:

I am asking to be released from Transfac. If there is a waiting period for this. Please consider this letter as notice of the first day of a waiting period.

I appreciate all your time you have spent to try and get a smooth start for me. There have been some issues I have had to deal with and they have not fallen the way I was told.

I would like Transfac Capital to sign and send back letting me know you have notice.
