CARRIER CUSTOMER PICKUP

STRAIGHT BILL OF LADING - SHORT FORM

CARRIER'S NO. CPU

RECEIVED, subject to terms and conditions of service made known to shipper prior to the date of issue of this bill of lading and in effect on the date of issue of this bill of lading. The property described below, in apparent good order, except as noted hereon, and condition of packages (including marked, unmarked, and damaged as shown below) which carrier agrees to carry to destination if on its route or otherwise deliver to the carrier on the route to destination. It is mutually agreed as to each carrier of all or any portion of the route to destination, and to each party at any time interested in all or any of the property, that transportation of the property is not to be made by any other carrier than the one named in this bill of lading. If a motor carrier agreement, shall be subject to the terms and conditions appearing on the straight bill of lading in the United States Freight Classification is the subject that they are not inconsistent with the terms and conditions set forth in this bill of lading. If a rail or motor or motor agreement, in the terms and conditions set forth in the United States Freight Classification is the subject that they are not inconsistent with the terms and conditions set forth in this bill of lading.

SHIPPER HEREBY CERTIFIES that the following described property which is offered for shipment in commerce has been U.S. inspected and passed by the U.S. Department of Agriculture and so marked and at the time of delivery to the originating carrier is not adulterated or misbranded.
