

Hopefully I'm part of the morning funding lol I sent in early, didn't sleep much last night with all the stuff that Chapman and I are working on for the t checks. Starting to work I think. [5am to 730 am](#) is not healthy.

Hi Austin,

It's going to be just a minute. I need to get my morning fundings done and then I will be reviewing what you sent over.

Thanks!

Shoot me an email when your ready for Chapman to verify. I'll have him call immediately when you are ready. We are working today on getting more of these t checks credited.
