You won't find a better factoring company for Trucking than Transfac. Even our name speaks to our early and extensive experience in transportation and brokerage funding. For over 75 years we have been offering billing, collections and invoice financing services to the transportation industry. Our clients needed comprehensive financial solutions and we provided them. As a result of our years of experience in funding transportation and trucking, Transfac Capital is one of the most trusted accounts receivable financing companies in the industry.

### THE TRANSFAC DIFFERENCE

75 Years  
in Business

\$1.5 Billion  
in A/R Purchased

5x Longer  
Customer Retention
