**“I want this faster! What can I do?”**

**Send in the following forms and the required documents listed below.**

**If you do not have all of the required documents, please send what you have available and you can send the remainder as soon as you get them.**

\*Reserve is a held portion of the face value of an invoice that is refunded once an invoice has been paid in full. Any deductions taken from debtor will be reimbursed through reserve.

\*\*Submission of the application, forms and documents, or performance of the due diligence process does not guarantee funding and is not an indication of approval.
