per the rate is dependent on value. shippers are required to state specifically in writing the declared value of property.

or declared value of the property is hereby specifically stated by the shipper to be not

Subject to section 7 of the conditions, if this shipment is to be delivered to the consignee without recourse on the consignor, the consignor shall sign the following statement:

The carrier shall not make delivery of this shipment without payment of freight and all other lawful charges.

(Signature of Consignor)

I, subject to the classifications and lawfully filed tariffs in effect on the date of the issue of this Bill of Lading, certify that the property described above in apparent good order, except as noted (contents and condition of contents unknown), marked, consigned, and destined as indicated above which said carrier (the word carrier used throughout this contract as meaning any person or corporation in possession of the property (fract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to the carrier on the route to said destination. It is mutually agreed as to each carrier of all or any

of, said property over all or any portion of said route to destination and as to each party at any time interested in all or any said property, that every service to be performed hereunder shall be subject to all the bill of lading terms and conditions in the governing classification on the date of shipment. Shipper hereby certifies that he is familiar with all the bill of lading terms and conditions in the governing classifications and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.
