

PLAN AHEAD

Westbound I-80 to Close at I-215 in Salt Lake City June 9-12

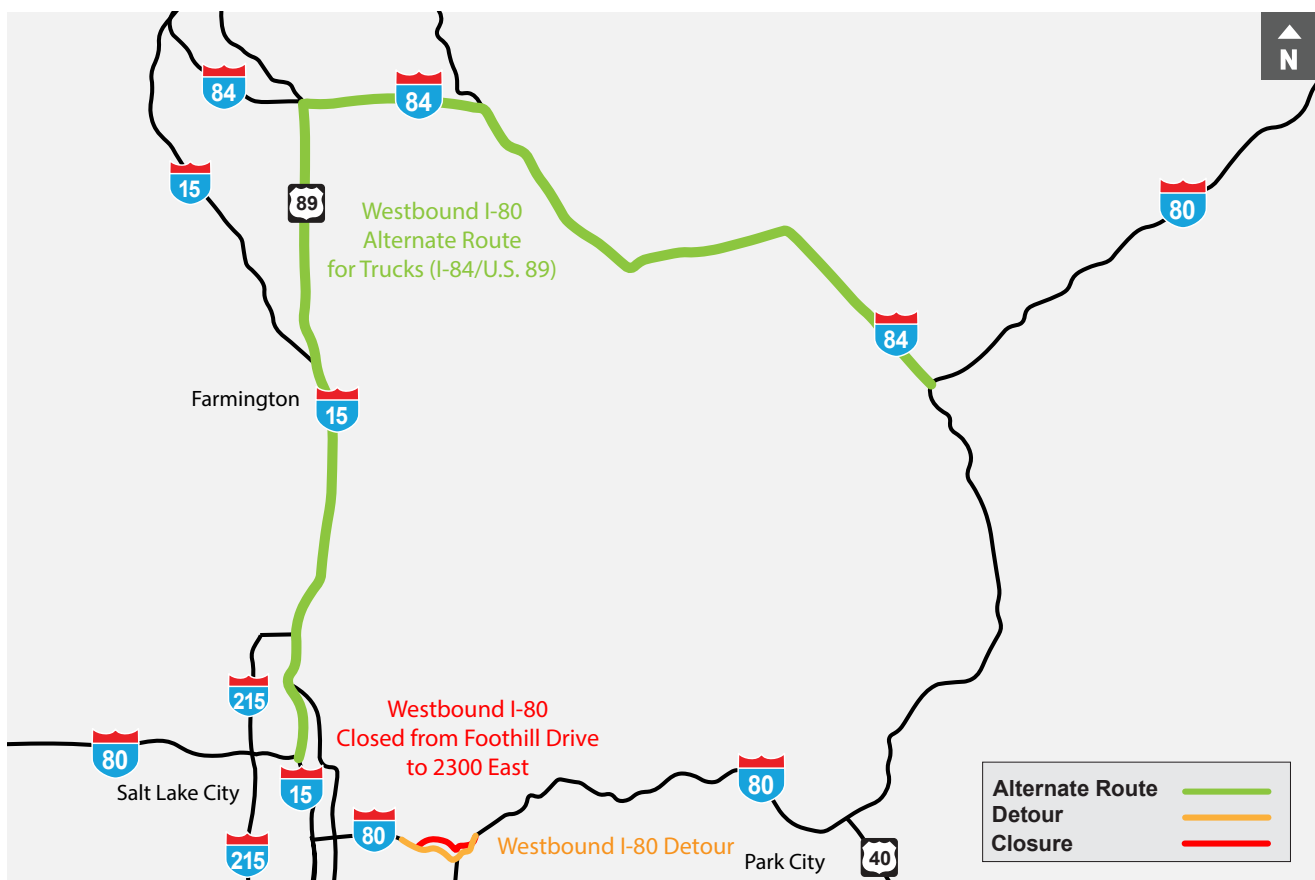

The Utah Department of Transportation (UDOT) is scheduled to close westbound I-80 between the ramp to I-215 (Exit 130) and the I-80/I-215 split (MP 127) from Friday, June 9, at 9 p.m. to Monday, June 12, at 5 a.m. Drivers are advised to plan ahead and expect moderate delays due to this closure.

DETOUR ROUTE

All traffic on westbound I-80 will be detoured onto the I-215 ramp, then back onto westbound I-80. This detour route consists of a single lane, and heavy congestion and moderate delays are expected during the closure.

ALTERNATE ROUTE

Trucks – especially those traveling to western Salt Lake City, Nevada, or other destinations west of downtown Salt Lake City – should use I-84 through Ogden as an alternate route.

For the latest traffic information, visit the UDOT Traffic website, udottraffic.utah.gov, or download the UDOT Traffic App for your iOS or Android device.

Please note that all construction is dependent on weather and equipment, and the schedule is subject to change.
