COMPANY PROFILE:

Gulf Coast Minerals was developed/grew organically from a company w/ common ownership named Field Personnel which provides staffing to the Oil/Gas industry. Gulf Coast Minerals provides control equipment for completions and workovers for oil and gas wells as well as fluids and additives. Target customer base is larger oil companies such as Halcon, Carrizon, Nufield, XTO. The duality of services including personnel as well as the equipment and additives used by the deployed personnel benefits their customer base in multiple ways: cost savings, faster job completions, eliminates an extra subcontractor(s), ease of billing, improved communication between departments and processes throughout the life cycle of the oil/gas wells.

Notes:

Customer recently expanded its sales force and is estimated to increase monthly revenues to 1mm to 2mm per month by years end. Funds are required to support the growth, open an additional sales office, etc.

Steve, I have added a few clients to the list you were compiling. As we move forward, this customer base will increase to include revenue from ConocoPhillips, Halcon Resources, Encana, Cimarron Energy, Pioneer Energy, etc

To remind you of yesterday's chat about our sales outlook: the invoices I provided to you total approximately \$69K, estimate for May could be at a similar level (\$70K), June \$120K, July \$200K, Aug \$400K, and then we're forecasting significant growth until the end of the year and expect to achieve \$1M in monthly revenue by Nov/Dec 2017.

Regards,

Norm
