

# Transfac Capital

Financial Services

## Who We Are

Transfac Capital began our long history of providing financial services in 1942. For over 70 years we have been offering business funding, billing, collection and invoice financing services to businesses that have needed more comprehensive financing solutions. We typically work with companies with a volume of \$50k to \$5 million per month in sales. Transfac Capital has become one of the most trusted accounts receivable financing companies in the business.

## How We Benefit Your Business:

- ♦ No waiting for slow payers
- ♦ Smooth, predictable cash flow
- ♦ Cash for business growth and development
- ♦ Professional, friendly, dedicated collection staff
