WHO WE ARE

Transfac Capital is a nationally recognized financial services provider, specializing in invoice factoring and other accounts receivable related products.

OUR MISSION

Our mission is to provide the best alternative financing solution for your business, through providing same day capital, no hidden fees, and support from our industry-expert staff; giving business owners a financing solution that's not only easy and timely, but also transparent and trustworthy. As well as implementing new technology for a further streamlined invoice factoring process, allowing us to expand the breadth of our clientele into new industries and opportunities.

SERVICES

INVOICE FACTORING

Sell your invoices for immediate working capital.

A/R ASSISTANCE

Ensure both the quality and payment of invoices with our expert support.

BRIDGE ADVANCE (ACH)

ACH loan service, with lower rates and flexible term lengths.

A/R LINE OF CREDIT

Line of credit which pays itself off through invoices.

INVENTORY FINANCING

finance large inventory purchases to reduce cash flow strain.

PURCHASE ORDER FINANCING

Get the capital needed to put out purchase orders, cutting out the delay between order and completion.
