This confirmation is an agreement between TQL and Carrier to haul the indicated load at the indicated rate, and is not a dispatch. If load is changed or canceled by TQL, no "truck order not used" will be paid unless the carrier has been dispatched. Carriers are required to call TQL for dispatch, which includes pick up number, shipper name/address, and direction information.

The safe, legal and proper operation of Carrier and its driver supersedes any request, demand, preference, instruction or information provided by Broker or its customers with respect to any shipment. If any employee of Broker or its customer requests, demands, or instructs Carrier to take any action that violates any law, whether intentional or inadvertent, Carrier shall refuse to transport that load and immediately contact the Broker before taking any further action. Carrier agrees that when it chooses to transport a load it does so on its own volition, exercising its own discretion without coercion or undue influence by any other individual or entity.
