PRICING SUPPLEMENT

This Pricing Supplement and attached Pricing Sheet (collectively, the "Supplement") is incorporated into and supplements the then-current Subscriber Agreement ("Agreement") between TransUnion Risk and Alternative Data Solutions, Inc. ("TRADS") and the Subscriber. The Subscriber agrees as follows:

- 1. **Effective Date; Term.** The Effective Date of this Supplement is specified in the Pricing Sheet. This Supplement shall commence upon the Effective Date and continue for the period specified in the Pricing Sheet ("Supplement Term"). Thereafter, this Supplement shall automatically renew for successive periods equal to the Supplement Term, unless either party provides the other party with written notice of termination at least sixty (60) days prior to the expiration of the then-current Supplement Term. Upon termination of this Supplement, the Agreement will continue in effect in accordance with the terms therein, absent this Supplement, subject to TRADS's then-current fees and charges for the TRADS Services accessed thereafter. TRADS reserves the right to terminate this Supplement for convenience at any time, but in such instance Subscriber shall not be responsible for any Early Termination Fee.
- 2. **Fees and Charges**. Subscriber agrees to be bound by this Supplement and agrees to pay all fees and charges set forth in the Pricing Sheet during the Supplement Term.
- 3. Early Termination Fee. Notwithstanding anything to the contrary in this Supplement, Subscriber may terminate this Supplement prior to the end of the then-applicable Supplement Term by giving TRADS written notice. Upon receipt of such notice, TRADS is entitled to and Subscriber agrees to pay an Early Termination Fee ("ETF") as liquidated damages equal to the average total monthly fees due hereunder within a billing period multiplied by the number of months remaining in the then-current Supplement Term. The ETF also applies if TRADS terminates the Agreement and/or this Supplement due to Subscriber's breach, including but not limited to a breach of payment obligations. TRADS is also entitled to the cost(s) of collection for the ETF including attorneys' fees. The parties agree that (a) at the time of the execution of this Supplement it is and would be difficult to determine the damages that would be caused if Subscriber breached its obligations, especially where multi-level or tiered pricing is tied to actual use; (b) the ETF is a reasonable estimate of the actual damages that TRADS would incur if the payment obligation was breached; and (c) the ETF is fair and reasonable and is not intended as a penalty.
- 4. Miscellaneous. This Supplement contains the final written agreement and understanding of the parties with respect to the TRADS Services identified herein and shall supersede and replace any and all prior pricing supplements, agreements or understandings with respect such TRADS Services. Except as provided in this Supplement, all other terms of the Agreement shall remain in full force and effect in accordance with its terms. In the event of a conflict between the terms of the Agreement and this Supplement, the terms of this Supplement will apply. In the event any one or more provisions of this Supplement, or the Pricing Sheet, is held to be invalid or unenforceable, the enforceability of any remaining provision(s) shall be unimpaired. All capitalized terms used but not defined in this Supplement will have the same meaning given to them in the Agreement.
